

# NETWORKING MASTERCLASS WITH RON GIBSON, GO NETWORKING

WEDNESDAY 3 MAY, 4.30PM—6.30PM, BRICKWORKS DESIGN STUDIO

Your network is your net worth. Networking is a rich source of knowledge, partnerships, ideas and opportunities, so your networking skills should be a priority! Don't quite 'get' how to network or don't know **exactly** what to say when you approach someone, or do you simply want to learn how to enjoy networking with confidence? Then this masterclass is not to be missed!

Presented by Ron Gibson, Australia's leading professional expert in business and career networking, Ron will offer up specific how-to advice for creating a networking strategy, building relationships and keeping it fresh and alive. After all, you're not born with good networking skills, you have to learn them!
